CheckMate™ Lawn Striping Kit For Exmark Radius (E, S, X) Installation Guide

Important

Big League Lawns, LLC warrants their products to be free of defects in material and workmanship. This warranty does not cover defects due directly or indirectly to misuse, abuse, normal wear and tear, failure to properly maintain the product or used for a purpose other than that for which it is intended. The duration of this warranty is expressly limited to one year parts and labor beginning from the date of delivery to the original customer.

The obligation of Big League Lawns, LLC is limited solely to the repair or replacement, at our option, at its factory or authorized repair agent of any part that should prove deficient. Purchaser must maintain the product under normal operating conditions at all times. Prior to operation, become familiar with the attachment and any disconnect features. This product is not intended to be used in a transport position or to be backed over curbs. When not in use, the product should be removed from the mower and transported in a safe manner. Failure to follow these instructions will void the warranty.

Mounting Instructions for Exmark Radius (E, S, X)

Congratulations on your new purchase! You are just steps away from creating a beautifully patterned lawn using your new CheckMate™ lawn striping roller. To ensure a long life of both your mower and roller, please be sure to follow the mounting recommendations below.

Tools Required:

Step 1: Identify Existing Mounting Hole Locations (Shown Below):

Remove existing 5/16" x 2 3/4" bolts from your frame. Re-insert the bolts through the quick release plates and your frame [with split lock washer]

After centering the roller; use a 3/4" wrench to firmly tighten each mounting arm to the striping roller.

Final Steps

Check installation, pick up the roller to confirm it freely pivots up and down.

Installation is now complete! Enjoy your striping with your new CheckMate™ Striping kit!
